

2011 LPIA RULES & APPLICATION FOR DINGHY RACK SPACE

The LPIA is now accepting applications for rack space for the '11 season. The spaces are to be used for small boats (no larger than 4 ft in width), canoes, and kayaks. Deep V boats are designated for the bottom tier, and all others for the top two tiers.

The rental season runs from April through October. Boats not off by Oct 31 will be removed by the LPIA. The fee for rack space is \$40 for the bottom tier, and \$30 for the two top tiers. If it becomes necessary to repair the rack at any time during the season, renters will be notified in advance and asked to temporarily remove their boat from the beach.

The deadline for making application for rack space is April 1, 2011. If there are more subscribers than space available, a lottery will be held by the LPIA Officers. **All subscribers will be notified of acceptance by email.**

The LPIA will assign new rack space numbers each season to the renters. The LPIA Treasurer will maintain a list of renters. Unauthorized boats on or tied to the rack will be removed. The LPIA will not be responsible for damage or loss to any boats. (The July 3rd bonfire gets hot and boats have been known to melt!)

Please mail the following application to Pam Pedler, LPIA Treasurer, 40 Overhill RD., Warren, RI 02885 so that it is **received by April 1st**. Feel free to contact her at (860) 883-9281 with questions regarding rules and application.
